Oswego, Kansas

1971

As the year closes, the Class of 1971 will scatter throughout the United States and the world, and for some, the annual may be their only reunion with friends met here. But, whether you are a freshman, sophomore, junior, or senior, we hope that the 1971 Pow-Wow will have some meaning for you.

The Editors

AWAY

I can not say, and I will not say
That she is dead. —She is just away!

With a cheery smile, and a wave of the hand,
She has wandered into an unknown land,

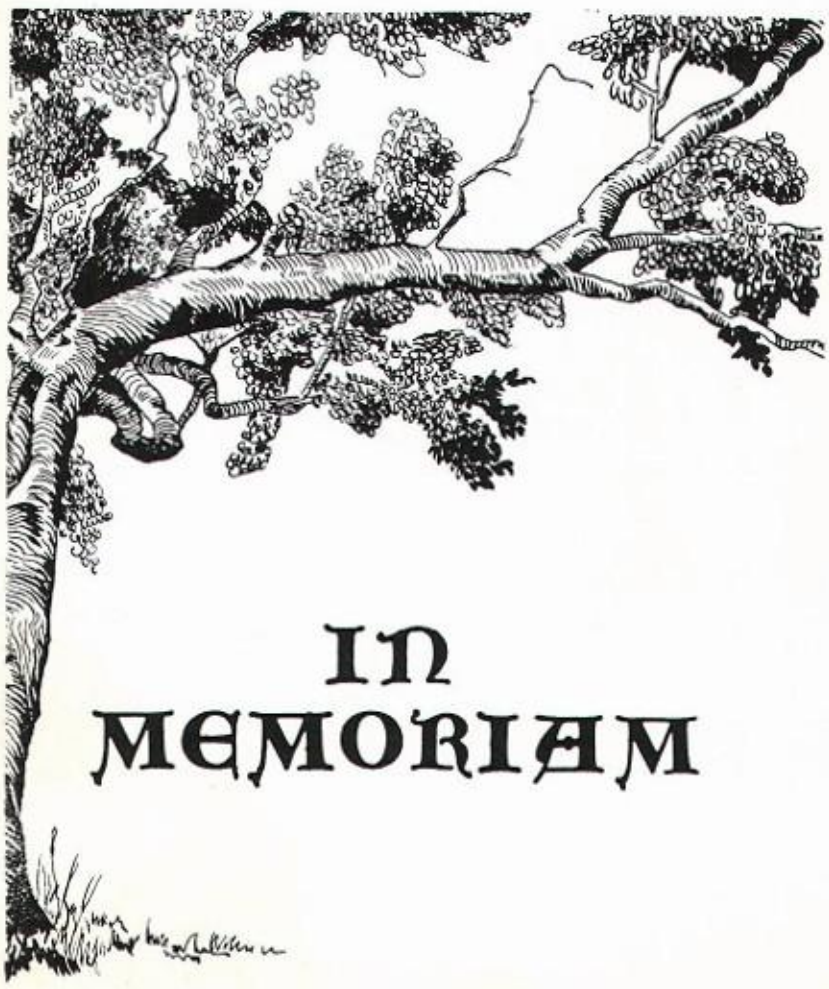
And left us dreaming how very fair
It needs must be, since she lingers there.

And you—O you, who the wildest yearn
For the old-time step and the glad return, —

Think of her faring on, as dear
In the love of There as the love of Here;

Think of her still as the same, I say:
She is not dead—she is just away!

Kay Streib



IN MEMORIAM

Although it was only a short time spent, Kay Streib left many friends and memories behind. The faculty and students of Oswego High School will long remember the moments they had with her. The Annual Staff presents the 1971 Pow-Wow in memoriam of Kay Streib.

1971 — ONE MOMENT IN ETERNITY

Seniors:

The path has been rough and long; the stones in the road have been many. Learning as you have journeyed on, the years have been lived and left behind you. Only a few more steps to walk and you will have reached tomorrow. Only you, as Seniors, have the power, the knowledge, and the will to enter tomorrow's world and make it one of progress. For you have successfully completed an era of your lives—moments which you shall never again be able to recapture and shall cherish for years to come. We, the Pow-Wow Staff, want you to have these moments. We give you this year; we give you the Pow-Wow.

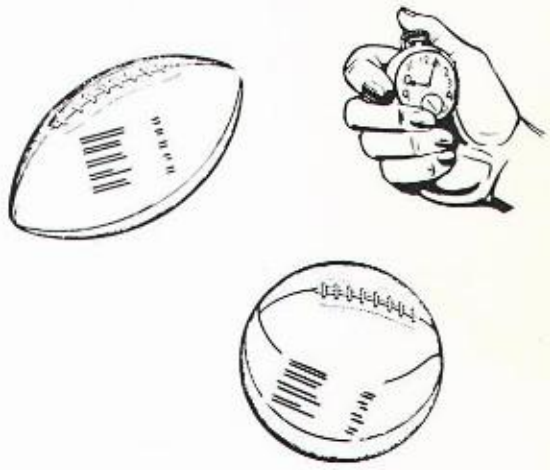
Athletics



Can you hear it now? The running of feet, the blowing of whistles, shouts of winning and losing, and finally the silence after the games. An empty gym will long resound the noise that went together to make up many evenings in the lives of O.H.S. students.

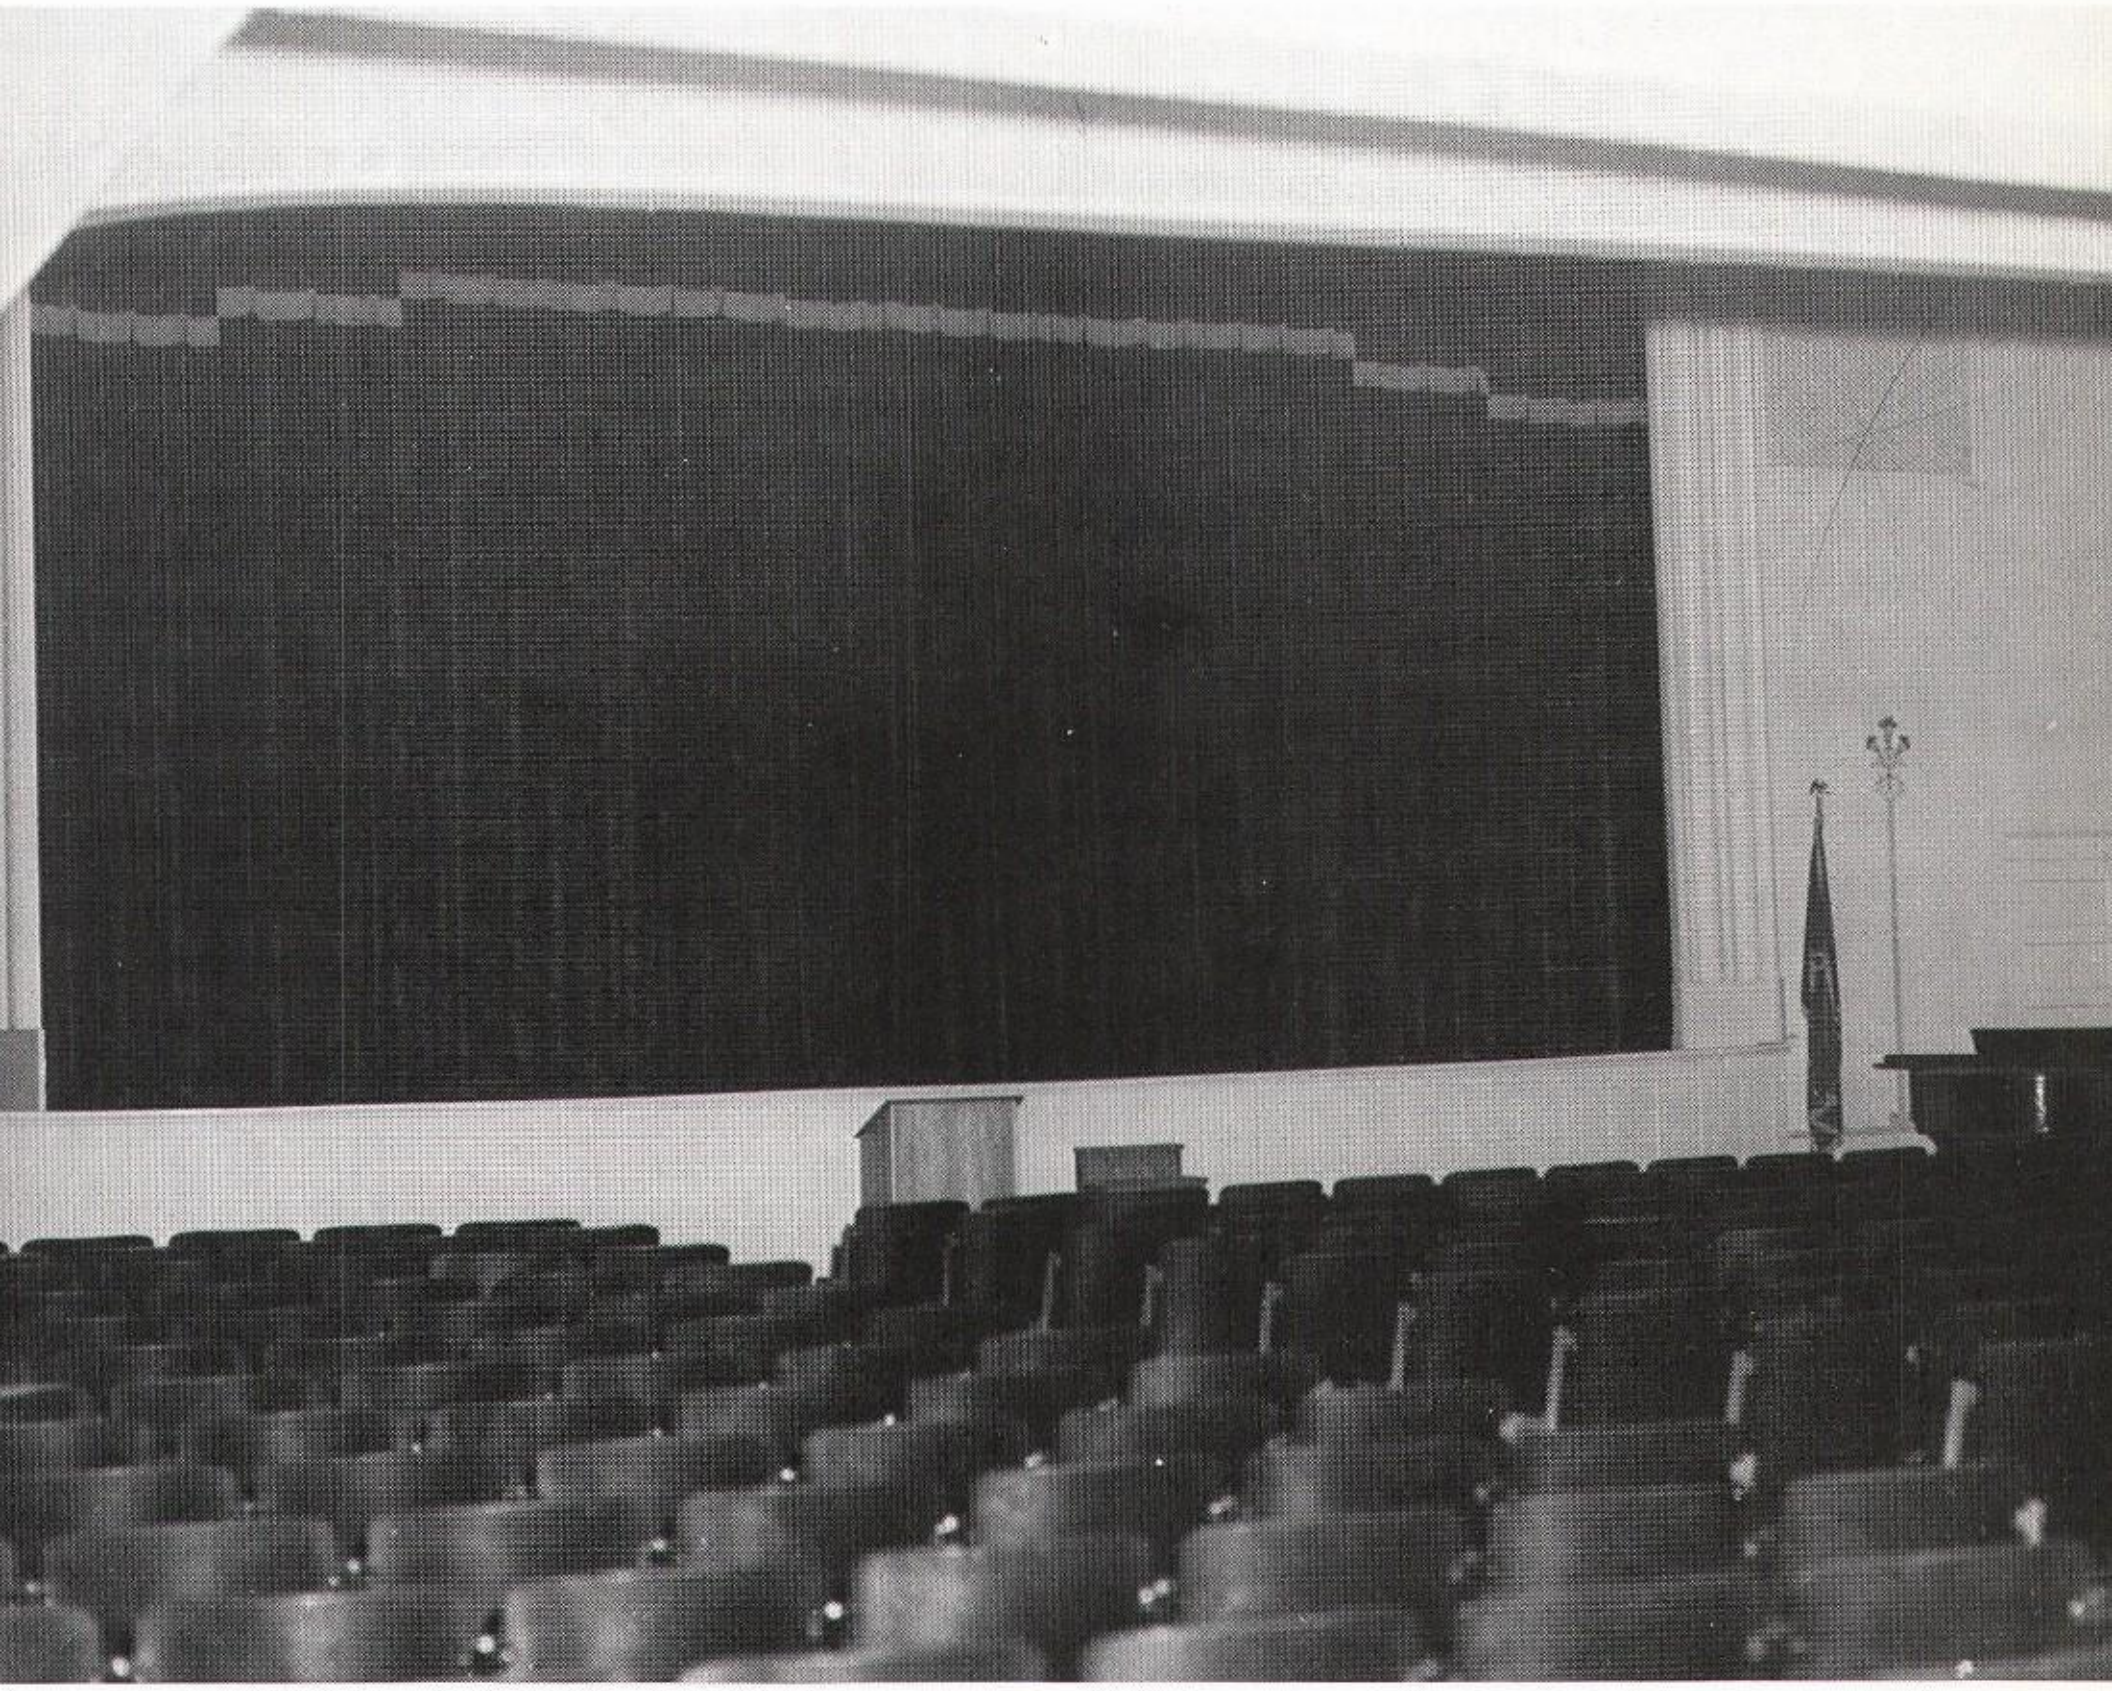
Activities



The Auditorium, a place where many activities took place and will continue taking place for years to come. Moments of laughter, sorrow, anxiety, disappointment, embarrassment, happiness, and just plain being together stem from these surroundings. From inside its boundaries come the plays and music programs, all the way to the graduation of each senior class. Underclassmen and the Class of 1971 will carry these moments in their minds. Moments which came into being at this place, the Auditorium.

MUSIC

Creative music found it's way to Oswego High School this year. No school is complete without a music department and Oswego is particularly proud of its music department and the people that function in it.
Whether it is maching in the Band, singing in a mixed chorus or girl's glee, or playing in a rousing pep Band, eveybody always finds his own enjoyment and the things he likes to do the most.

PASTELS

Mrs. Kay Streib, Director

V I P

IN Our School

Mrs. Aleene Bradshaw, Clerk of the Board and general manager of the high school office, always has the time to stop from her busy schedule and answer any questions that a student or faculty member would have.

Mrs. Ginger Spencer, high school secretary, is always busy typing
tests and other articles for teachers. If it weren't for Ginger and
speedy typing, one wouldn't have to worry about those long and hard te

CUSTODIANS
Bob Allison, Bob Wills, and David Brandt

Each year the American Legion and American Legion Auxiliary select representatives from the junior class to attend the Boys' and Girl's State. The main objective of the program is to get a better understanding of a democratic government. Those attending at the University of Kansas this past summer were as follows: Judy Barnard, Charles Taylor, Bill Coman, and David Elliott.

If it weren't for Janet Carpenter, the annual wouldn't be possible. She takes time from her schedule to come to the high school and take pictures that go together to make up our annual. She has seen some unusual happenings around our school, but she still goes right on taking pictures. Thanks Janet for making our annual possible!

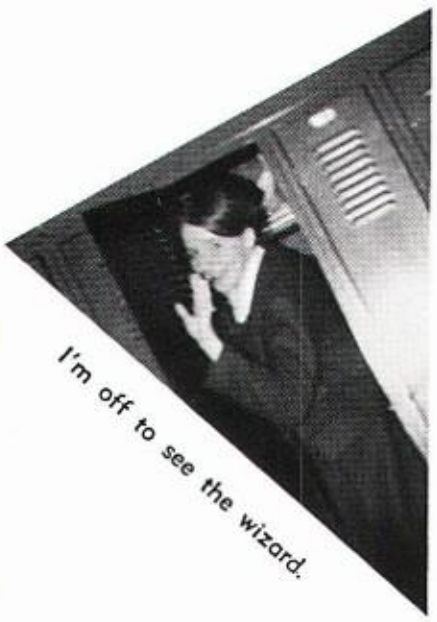
It's going, going, gone!

LIFE

In

OUR SCHOOL



I'm off to see the wizard.

Boy, Did I pedal fast!

Peace brothers!

Sweeping up the trash.

I've counted these 17 times and I'm still one short.

I keep telling you not to draw moustaches on the pictures.

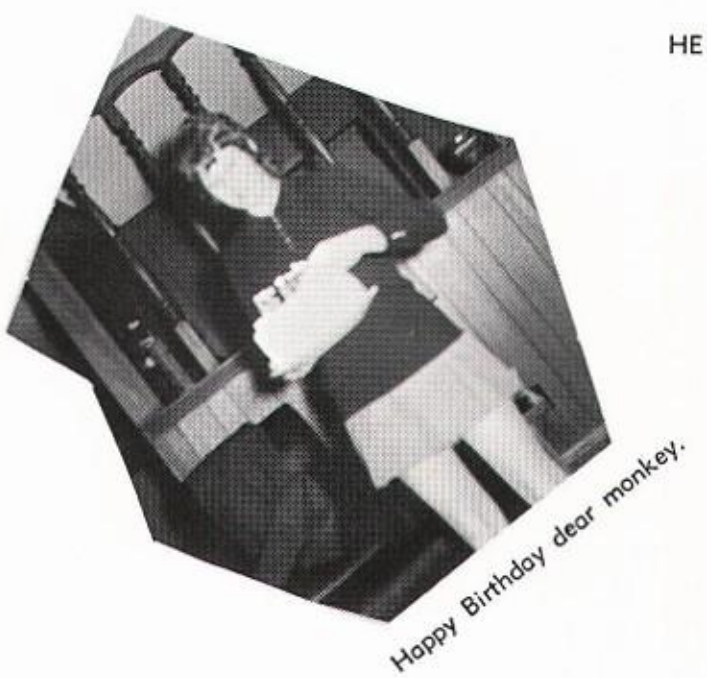
Hail to the Chief!

New mode of transportation.

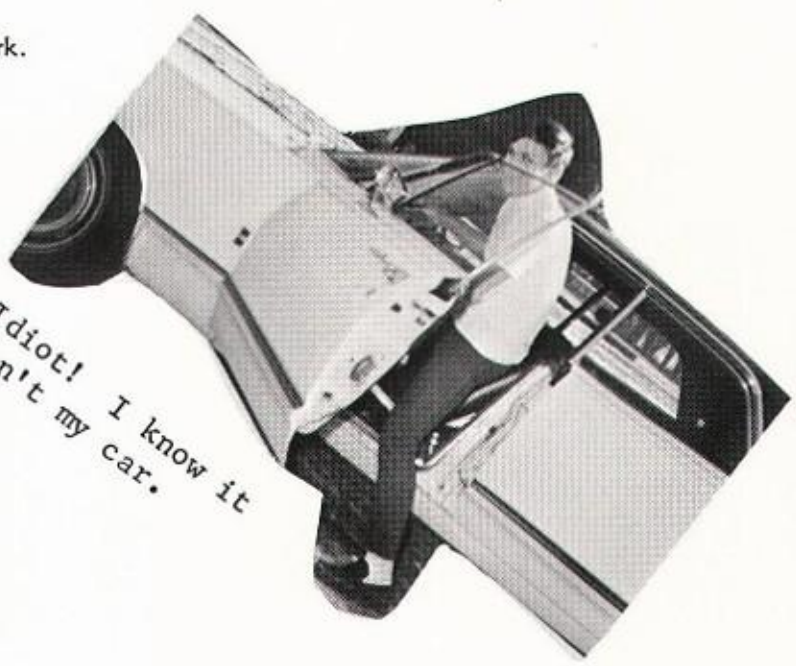
When Tiny Tim's Wedding comes on, we're leaving.

HE helps me with my homework.

I just have too much stuff to carry in my billfold.



Happy Birthday dear monkey.



Idiot! I know it isn't my car.

Sleeping Beauty at her worst.

Senior football powderpuff champs.

The Crowning of Queen Beverly

Congratulations

CLASS of 1971

We are always willing to provide financial assistance or advice to the young people of our community.
